

Supporting Hands: Information on child sexual assault

*2 hour workshop
for adults who
work with children*

This workshop answers the following common questions:

- **What is child sexual assault?**
- **What are the facts?**
- **What are the issues around disclosure?**
- **How does the grooming process work?**
- **What are the indicators in children?**
- **What are the indicators in offenders?**
- **What are normal, age appropriate sexual behaviours?**
- **How do I respond to concerns/disclosures?**
- **What are my responsibilities & obligations?**
- **How can I help children stay safe?**

Who should attend?

As adults we all have a responsibility to protect children, especially those in our care.

With statistics showing that 1 in 5 children will experience some form of sexual assault or exploitation, this workshop is designed to provide general information, guidance on how to deal with concerns or disclosures and simple techniques for teaching

Workshops for Senior Students

We can also offer workshops for senior students. Please contact us for more details.

Cost *

Workshops cost \$20 per person (minimum of 6 people).

All participants will receive an information pack & certificate.

*** For workshops outside the Brisbane / Gold Coast regions additional costs may be applicable**
